

Knightstone House

Assembly points

Please take a moment to familiarise yourself with your nearest fire exit and the closest fire assembly point.

There are two fire assembly points on site:

- **Assembly Point 1**
- **Assembly Point 2**

In the event of a fire, knowing where to go and how to get there safely is essential.

Assembly Point 1 is located to the front of Knightstone House, on the cobbled pavement.

Assembly Point 2: is located to the rear of Knightstone House, on the cobbled pavement, behind the car-parking machine.

Stay safe, and please ensure you know your nearest exit and assembly point.
