

Beaufort Park Cribbs Causeway

Welcome to LiveWest

At LiveWest, we believe in a home for everyone.

We own and manage over 40,000 homes across the South West, from Cornwall to Gloucestershire. We have ambitious plans to invest £1bn in the South West economy and to build 5,000 new homes in the region over the next five years.

This is part of LiveWest taking huge steps towards alleviating the region's housing shortage, in an area of high housing need as well as high house prices which makes accessing housing particularly challenging for many families.

We offer homes for affordable rent and shared ownership sale. We also build homes for private sale, to generate profits which we then use to provide and build more affordable homes.

We take the time to listen to, understand and learn from our customers. We focus on thriving as a business and employer so we can deliver more homes and even better services.

As well as meeting housing demand, it's easy to forget the vital role that affordable homes contribute to economic development and prosperity, enabling local companies to recruit the workforce they need from their communities. LiveWest's growth strategy will not only contribute to economic growth in the South West but sustain up to 7,000 jobs in the building industry and its supply chain.

We are a member of **Homes for the South West**, a group of the largest developing housing associations in the south west, making the case for investment in our region.

Beaufort Park

Beaufort Park is located in a fantastic position on the northern outskirts of Bristol, offering a range of new homes and opportunity to be part of a community with exceptional facilities.

Beaufort Park offers access to both Bristol City Centre and the M5, ideal for commuters across the South West. The development will include a community hub offering shops and youth centre, a new primary school and nursery, outdoor sports facilities, allotments and nature trails. Surrounded with plenty of scenic nature, including the Blaise Castle Estate, Leigh Woods and Clifton Downs, this is a unique opportunity that you won't want to miss out on.

What is shared ownership?

Advantages

- A great way to help you get onto the property ladder
- Deposits from as little as 5%
- You can buy more shares as and when it's affordable to you

Shared ownership is intended for eligible people who are looking to buy an affordable home suitable for their needs.

With shared ownership, you buy a share of the full market value (between 25% and 75% depending on the lease and your affordability), and pay rent to LiveWest on the remaining share.

This means a smaller deposit, and a smaller mortgage. A great way to help you get onto the property ladder.

You can buy more shares as and when it's affordable to you.

Am I eligible?

You will need to confirm that you are able to raise enough money (normally with a mortgage) to purchase the share that you own. A monthly rent is then payable on the remaining share, as well as a monthly buildings insurance and service charge fee, which services communal areas in and around your home.

How do I apply?

In three easy steps, you can be on your way to owning your own home:

- First of all, check if you are eligible to apply for shared ownership:
- Apply on our website here (<https://www.livewest.co.uk/apply-for-your-plot>) so we can check your eligibility and refer you to New Homes Mortgage Helpline to complete your affordability assessment. Find out more about this in our 'How to apply' brochure.
- Once you have been qualified by New Homes Mortgage Helpline, your application will then be subject to final approval by LiveWest.

If you have a dream of buying your own home, call our Sales team today on 0800 027 9801 or email us at newhomes@livewest.co.uk.

Buying your home

We know the process of buying a new home with shared ownership can be daunting but it doesn't have to be. Follow our eight step road to your new home and remember we're here to help every step of the way.

Buying more shares

As a shared owner you will have the right to buy all or part of your home from us as soon as you can afford to. This is known as 'staircasing'. In most cases you'll be able to buy shares to the point that you own 100% of your home. When you own 100% you can acquire the freehold, and will no longer have to pay rent as you will own the whole property outright. Your rent always reduces when you buy more shares.

If you are looking to buy more shares call the Staircasing team on 01392 814 637 option one or email buymoreshares@livewest.co.uk

Selling your home

Your shared ownership leasehold property comes with some rules about selling, which help us to ensure that it is sold to somebody in a similar position to you when you first purchased with us.

If you are looking to sell your LiveWest shared ownership home, contact our team by calling 01392 814 637 option two or email us at resales@livewest.co.uk

What is a sinking fund?

A sinking fund – also known as a reserve fund – is an amount of money which is collected over time and set aside to cover any major works which are needed on a property in the future. Sinking funds are used to pay for future, long-term planned maintenance (e.g. external decoration, roof renewal, replacement of gutters and downpipes etc), but also aim to protect homeowners from large, unforeseen expenses which may arise. However, you should be aware that if the cost of any works is more than the fund has, homeowners may need to find funds for any shortfall.
