What is shared ownership?

Advantages

- The perfect way to get onto the property ladder
- Only 5% deposit*
*Dependent on circumstance
- Free stamp duty for first time buyers
- Buy more shares when suitable to you

Shared ownership, also known as part rent part buy, is a way to help people get onto the property ladder.

You buy a percentage of a house and pay rent to LiveWest for the remaining share. This means smaller deposits, smaller mortgage, and the rent you pay on the remaining share is charged at a discounted rate.

You can buy more shares as and when you can afford to, usually between 25%-75% and eventually up to 100%, in most cases, you can own your own home outright.

Stamp Duty paid for first-time buyers of shared ownership properties.

In the 2018 Budget, the government announced that shared ownership first-time buyers would be exempt from paying stamp duty if their shared ownership property is worth up to £300,000.

As a shared owner you are fully responsible for the repairs and maintenance of your home, internally and externally.

Am I eligible?

You will need to meet certain criteria in order to be eligible for shared ownership. You will need to confirm that you can raise enough money (normally with a mortgage) to buy the share that you own. Monthly rent is then payable on the remaining share as well as a monthly fee towards buildings insurance and service charges which service communal areas in and around your property.

Read and understand your lease and what restrictions it sets out. Work out costs and monthly payments and think about your long term plans.

How do I apply?

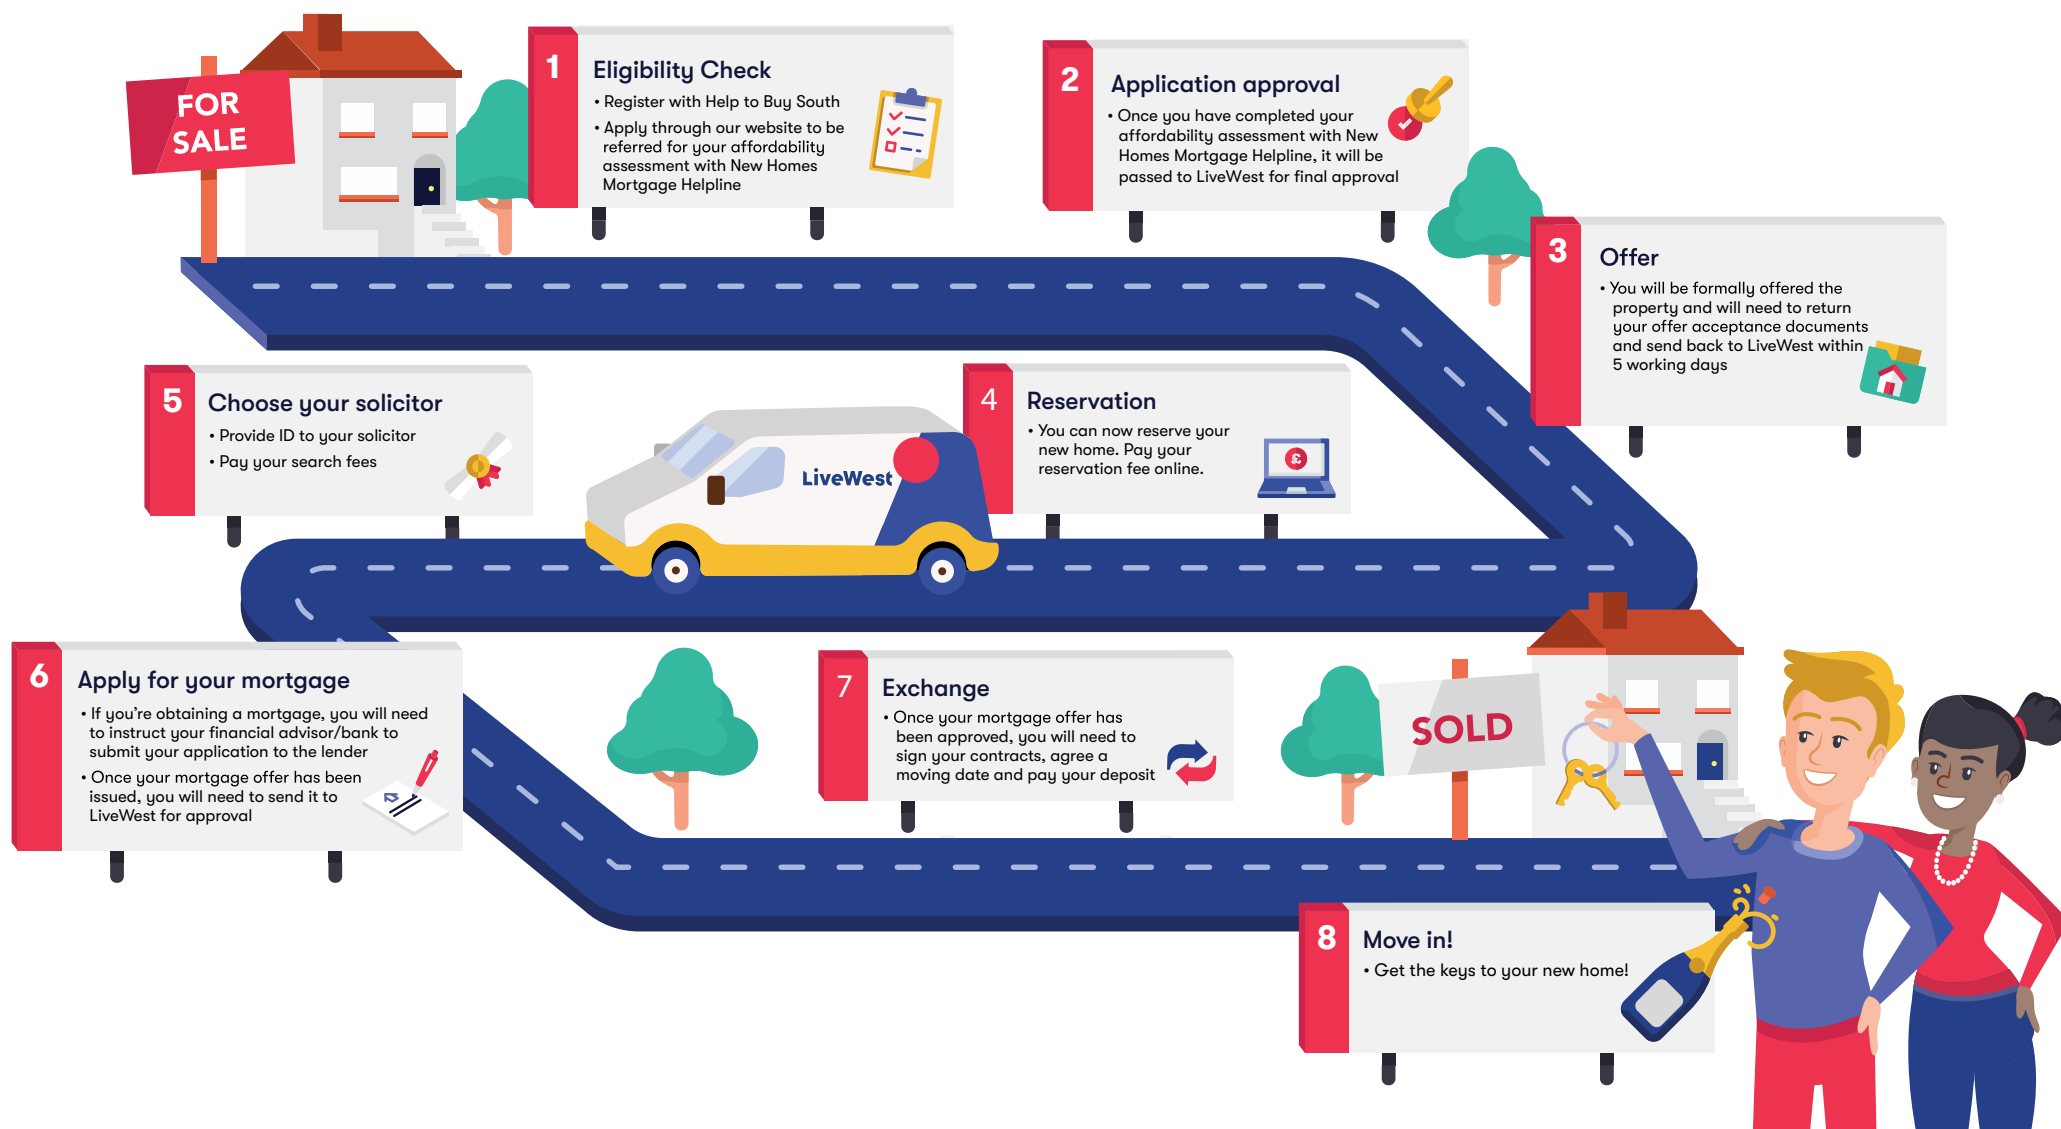

In three easy steps, you can be on your way to owning your own home:

- Register with Help to Buy South and obtain your 11 digit reference number: <https://helptobuyagent3.org.uk/>
- Apply on our website here (<https://www.livewest.co.uk/form/apply-for-your-plot>) so we can check your eligibility and refer you to New Homes Mortgage Helpline to complete your affordability assessment. Find out more about this in our 'How to Apply' brochure.
- Once you have been qualified by New Homes Mortgage Helpline, your application will then be subject to final approval by LiveWest.

If you have a dream of buying your own home, call our Sales Team today on 0800 027 9801 or email us at newhomes@livewest.co.uk.

Buying your home

We know the process of buying a new home with shared ownership can be daunting but it doesn't have to be. Follow our eight step road to your new home and remember we're here to help every step of the way.

Buying more shares

As a shared owner you will have the right to buy all or part of your home from us as soon as you can afford to. This is known as 'staircasing'. In most cases you'll be able to buy shares to the point that you own 100% of your home. When you own 100% you can acquire the freehold, and will no longer have to pay rent as you will own the whole property outright. Your rent always reduces when you buy more shares.

If you are looking to buy more shares call the shares team on 01392 814637 or email BuyMoreShares@livewest.co.uk

Selling your home

Your shared ownership leasehold property comes with some rules about selling, which help us to ensure that it is sold to somebody in a similar position to you when you first purchased with us.

If you are looking to sell your LiveWest shared ownership home, contact our team by calling 01392 814637 or email us at resales@livewest.co.uk
